NOTES:
 The data upon which this plan is based was
 obtained from a survey conducted by the
 State of Georgia, Department of Transportation,
 on or about 1972. The survey was conducted
 on a regular basis at 0.25" intervals per mile
 and the accuracy of the survey is stated to be
 within 1/1000 of the distance measured. The
 plan is based on the data furnished to the
 Surveyors by the State of Georgia, Department
 of Transportation, on 2/11/72 (Survey No. 85-1).
